

**ADDENDUM to CAP Pilot-Airplane, Cadet Orientation Pilot - Airplane, and  
Cadet Orientation Pilot - AFROTC**

1Lt Curt Rowe is Current as a CAP Pilot Airplane, Cadet Orientation Pilot – Airplane and Cadet Orientation Pilot – AFROTC. See Authorization below by OH Wing DO.

Gentlemen:

1. 1Lt Curt Rowe MIMS information indicates that he is expired, see MIMS Pilot Data Summary below yet there is nothing in his detail listing below that indicates what is expired.
2. He had forgotten to enter his new flight review date of 11AUG 2006 which I entered this AM and validated same; yet he still shows as being expired presently today on 8/31/2006. However, the FMS Pilot Report does not show him expiring until 8/31/2006 (This should be the end of 8/31/2006, i.e. 11:59:59.999, 8/31/2006 not 0:00:00 8/31/2006.)
3. AS OHWG/DO, I have personally reviewed his CAPF5 successfully completed on 11/ AUG 2006 and find that he is, in fact current.
  - 1Lt Rowe's MIMS information needs to be correct to show him as current until his next expiration date in that his services are needed as a CAP Pilot for various CAP duties.
  - This is not the first time that this situation has occurred with pilot data. What is the problem?

Please advise when corrected, thanks

Regards,

Henry
